The End Of The Line

The Mavericks

You walk on higher ground
Like the holy ghost I haven't found
The mighty words you speak
They bounce off the strong but
Are heard by the weakTheir pennies just keep on coming in
Their spirits are still soaking in their sins
Some say they're even born again[Chorus]
See what you can find at
The end of the line
There's no end in time at
The end of the line
There's no peace of mind
At the end of the lineThe time has finally come
To relinquish the throne
That doesn't belong
For only you can tell if the
Pardon will come or will you
Burn in hellYou tried to recover dirty Stones
From love filthy games played on the road
Now it is you who stands alone[Chorus: x2]Their pennies just keep on coming in
The spirits still soaking in his sins
Some say they're even born again[Chorus]
