A Lesson You Need to Learn

Violet Sunset

Youâ€™re so lonely that you believed
you could hold me tied forever
but itâ€™s over, you canâ€™t deny
that you lost your mind.

You have been hiding your feelings
and every time I hear less your heart beating,
you lost your opportunity,
now all has disappeared,
I hope you understand this is
a lesson you need to learn.

I will never see you again,
but donâ€™t forget what Iâ€™m gonna say,
when you feel something real,
you have to let go of your selfishness.

You thought you were going to win,
for first time I am free,
donâ€™t try to be close to me,
let me live by myself.

I will never see you again,
but donâ€™t forget what Iâ€™m gonna say,
when you feel something real,
you have to let go of your selfishness.

Youâ€™re so lonely that you believed
you could hold me tie forever
but itâ€™s over, you canâ€™t deny.

You thought you were going to win,
for first time I am free,
donâ€™t try to be close to me,
let me live by myself.

I will never see you again,
but donâ€™t forget what Iâ€™m gonna say,
when you feel something real,
you have to let go of your selfishness.
