

Never Walk Alone

Rend Collective

You are my shepherd
Faithful forever
Your hand is strong when my faith is weak
Close as my heartbeat
You won't forsake me
You are the love that will carry me And I won't be afraid
I will trust Your heart and say I will never, ever, ever walk alone
You are with us, for us
Always holding on
Thought I wander, Your love goes further
You are my hope and future
I will never walk alone
I will never walk alone
Questions may haunt us
Casting their shadows
Still You're the hope and the fire in me
I will not tremble
I will not stumble
You are my courage, my bravery And I won't be afraid
I will trust Your heart and say I will never, ever, ever walk alone
You are with us, for us
Always holding on
Thought I wander, Your love goes further
You are my hope and future
I will never walk alone Surely Your goodness and mercy
Will light up the way set before me
Surely Your grace will pursue me
All my days, all my days
Surely Your goodness and mercy
Will light up the way set before me
Surely Your grace will pursue me
All my days, all my days I will never, ever, ever walk alone
You are with us, for us
Always holding on I will never, ever, ever walk alone
You are with us, for us
Always holding on
Thought I wander, Your love goes further
You are my hope and future
I will never walk alone

I will never walk alone
