

Sleepwalking, Pt. II

Alvarez Kings

I don't know where to begin
I don't know where to call home
Seems I've been traveling with eyes wide shut, curtains closed
I suppose I'll just follow my nose
Eyes wide shut, curtains closed
A flickering light but nobody's home Now I'm sleep-sleepwalking
Now I'm sleep-sleepwalking
Whoa oh oh oh
Whoa oh oh oh I don't know where to begin
I don't know where to call home
Seems I've been traveling with eyes wide shut, curtains closed
I suppose I'll just follow my nose
A flickering light but nobody's home Now I'm sleep-sleepwalking
Now I'm sleep-sleepwalking
Whoa oh oh oh
Whoa oh oh oh If you want the start an end must fall apart
But if you hold on to me, hold on to your heart
If you want the start an end must fall apart
But if you hold on to me, hold on to your heart Now I'm sleep-sleepwalking
Now I'm sleep-sleepwalking If you want the start an end must fall apart
But if you hold on to me, hold on to your heart
Now I'm sleep-sleepwalking
Now I'm sleep-sleepwalking
Whoa oh oh oh
Whoa oh oh oh
Now I'm sleep-sleepwalking
