Caravan Palace

Ain't no use in divin',
What's the use of divin'?
Straighten up and fly right,
Straighten up and do rightAin't no use in divin',
What's the use of divin'?
Straighten up and fly right,
Straighten up and do rightAin't no use in divin',
What's the use of divin'?
Straighten up and fly right,
Straighten up and do right
Ain't no use in divin',
What's the use of divin'?
Straighten up and fly right,
Straighten up and do rightWhat's the use of divin'?
Straighten up and do right
What's the use of divin'?
What's the use of divin'?
-- up and do right
-- use of divin'?
Straighten up and do right
