Mr. Natural

Mental As Anything

I don't drink, I don't smoke
I don't sniff, no coke
New age, that's me
That's what it should beI am Mr. Natural
You can call me Mr. NaturalI don't drive no car
I live by the stars
I don't eat no meat
I am Mr. completeI am Mr. Natural
You can call me Mr. Natural
I am Mr. NaturalI won't wear no skin
I don't care who wins
But I know that I'm right
I can't give a timeI am Mr. Natural
You can call me Mr. Natural
I am Mr. Natural
You can call me Mr. NaturalMr. Natural
Mr. Natural
Mr. Natural
