Where Is Your Heart Tonight?

Jordan Knight

Sitting here waiting for tomorrow
All because of yesterday
I wish I had all the answers
For all the things you had to sayI wanna come and change your mind, girl
No more lies and no more gamesI never thought of missing you, I never thought Id needed you
Before you left tonight
And since I cant be kissing you and since I wont be holding you
Will it be alright?And how could you just say were though
After all this time
Im standing here with open arms
The thought just crossed my mind
Where is your heart tonight?Feels little loneliness and sorrow
I only have myself to blame
Had a good girl and I lost her
I start to cry and feel ashamedI wanna come and change your mind, girl
No more lies and no more gamesI never thought of missing you, I never thought Id needed you
Before you left tonight
And since I cant be kissing you and since I wont be holding you
Will it be alright?And how could you just say were though
After all this time
Im standing here with open arms
The thought just crossed my mind
Where is your heart tonight?Ill never understand what ever happened to us
What ever happened to us
I said some other sun is shining above
Ooh, yeahAnd all the thing came crashing down
And I can't turn this around without youI never thought of missing you, I never thought Id needed you
Before you left tonight
And since I cant be kissing you and since I wont be holding you
Will it be alright?And how could you just say were though
After all this time
Im standing here with open arms
The thought just crossed my mind
Where is your heart tonight?
