

# PaYow!

## Huey

Ooh, she don't know, she don't know  
She don't know, she don't know, I got that payow  
Baby, ooh she don't know about me, she don't know I got that  
I got that, I got that, I got that payow, I got that payowBaby, ooh she don't know about me, you don't know, I  
got that payow  
Ooh she don't know about me, you don't know, I got that payow  
Baby, ooh she don't know about me, you don't know, I got that payow  
I got that, I got that, I got that payowSpeakin' of payow I got somethin' you might love  
And it's a murder weapon wearin' the right glove  
In the stoke of this I'm hopin' it's tight as fuck  
And if it hurt just let me know and I'll lightin' upI'll light you up from just a few shots  
And have you soundin' like sirens of two cops  
Things you don't know about me you gon' learn right now  
150 rounds that sounds like that motherfuckin' payow  
You know about meBaby, ooh she don't know about me, you don't know, I got that payow  
Ooh she don't know about me, you don't know, I got that payow  
Baby, ooh she don't know about me, you don't know, I got that payow  
I got that, I got that, I got that payowNow when I come I'mma put this burner on your tongue  
Suck it the same way you was raised suckin' your thumb  
Ain't gonna kill you, want you to see how the blower taste  
Like that's a doctor from shocks, you done took to the lower waistI hope this payow is enterin' Niagra  
'Cause this pistol is hard as niggas on Viagra  
Send me automatic click, click pow, pow, don't run now  
As you hit you with this motherfuckin' payowBaby, ooh she don't know about me, you don't know, I got that  
payow  
Ooh she don't know about me, you don't know, I got that payow  
Baby, ooh she don't know about me, you don't know, I got that payow  
I got that, I got that, I got that payowYeah, ooh, that ass is so fat  
I want the lights on usually the room is pitch black  
Wanna see move forward, back when I give a smack  
Rubbin' on my 6 pack and I ain't holdin' shit backWhen you hear that click clack baby go your ass down  
Til' dem lips drippin' wet, ooh slow your ass down  
And I done click a hole in your wall, oops broke your couch  
I'mma fuck around and have to buy a house  
'Cause I done hit you with that payowBaby, ooh she don't know about me, you don't know, I got that payow  
Ooh she don't know about me, you don't know, I got that payow  
Baby, ooh she don't know about me, you don't know, I got that payow  
I got that, I got that, I got that payow
