

Sick Inside

Hope Partlow

I'm just a girl who, kissed a boy who
Is in love with someone else
I didn't mean to feel the way I do
It just happened by itself
And now I'm sick inside
Yeah, it makes me wanna cry
I'm so sorry about last night
Yeah, it happened so fast
I wanted it to last
In the moment it felt so right
But now I'm sick inside
He stopped by my house, we were hanging out
He was wondering were you are
We went walking, we were just talking
Then he kissed me by his car
And now I'm sick inside
Yeah, it makes me wanna cry
I'm so sorry about last night
Yeah, it happened so fast
I wanted it to last
In the moment it felt so right
But now I'm sick inside
Now I'm stuck with this feeling in the pit of my soul
Guess I should of had a little self control
I knew that it was wrong, I admit it
I wish there was a way that I could make it alright
I really wanna tell you that I put up a fight
But that would be a lie
And now I'm sick inside
Yeah, it makes me wanna cry
I'm so sorry about last night
Yeah, it happened so fast
I wanted it to last
In the moment it felt so right
But now I'm sick inside
Now I'm sick inside
Yeah, it makes me wanna cry
In the moment it felt so right
I'm just a girl who, kissed a boy who

Is in love with you
