Don't Know What to Do

CeCe Peniston

CHORUS:
I don't know what to do
Cause I'm still so into you
I know we said we were through
Don't know what to do
I don't know what to do
Cause I'm still so into you
And I know you feel it too
Don't know what to doSaid our goodbyes
We both agreed to just be friends
But there's something inside
That makes me think againCHORUSPain's gone away
I can finally get it off my mind
But the minute I see your face
My emotions take over
Every part of me says one more timeCHORUSBRIDGE:
I wish you would go far away
So I can get you out of my mind
If I continue to see you everyday
I'll want you by my side
