Boom Boom

Trio

Musik und Text: Remmler/KralleThe day begins the party ends
he hesitates a while
there is this kiss he would not miss
he does it with a smileBoom Boom here they go again
Boom Boom
Boom Boom and my heart beats
Boom BoomA helpful friend oh what a friend
I look at him with thanks
he reaches deep into his coat
what has he in his handsBoom BoomThe doorbell goes and I don t know
who outside may be
a high heeled shoe a naked leg
does she come to meBum Bum immer wieder wieder
Bum Bum
Bum Bum und mein Herz klopft
Bum BumThe satellite was out of sight
radioactive though
quite alright when it was high
but now its very lowBoom Boom
