

Almost Like Being In Love

[Marti Webb](#)

What a day this has been
What a rare mood I'm in
Why, it's almost like being love There's a smile on my face
For the whole human race
Why, it's almost like being love All the music of life seems to be
Like a bell that is ringin' for me And from the way that I feel
When that bell starts to peal
I would swear I was fallin'
I could swear I was fallin'
It's almost like being love
