La La La (Royale Bmore Rmx)

LMFAO

I feel like I just seen the sun for the first time
You make my life bright 'cause you shine
It's me and you baby, it's our time
I'm living my dream, girl 'cause you mine
You got me skippin down the street
And singin love songs all out of key
I didn't smoke nothin but I feel so high
And I know why
It's a love thing, it's got to be
Your heart's all locked and I got the key
It feels like I just won the lottery
'Cause I got my girl and she got meYou my new obsession
All I want to do
You my new obsession, girl
I feel on top of the world wit you baby
I want to dance and party tonight
I feel on top of the world wit my lady
I'm gonna rock your body all night
She makes me wanna singLa, la la la
La, la la la
La, la la la
La, la la laLa, la la la
La, la la la
La, la la la
La, la la laOh, I can't get you out my mind
Everything you do is feelin right
Remember that way you caught my eye?
I remember that way you was walkin by
Ooh girl, watch out now
You looked at me, turned around and smiled
Gave me eyes, my heart went wild
Hypnotized, this love starts now
And how do I know you're real?
It really doesn't matter, it's the way I feel
You make me feel super like the man of steel
Got me goin stupid, pickin daffodilsYou my new obsession
All I want to do
You my new obsession, girl
I feel on top of the world wit you baby

I want to dance and party tonight
I feel on top of the world wit my lady
I'm gonna rock your body all night
She makes me wanna singLa, la la laYou my new obsession
You my new obsession
You my new obsession
You my new obsession
You my new obsessionAll I want to do
You my new obsession, girl
I feel on top of the world wit you baby
I want to danceDanceI feel on top of the world wit you baby
I want to dance and party tonight
I feel on top of the world wit my lady
I'm gonna rock your body all night
