

# You

## Robin Stjernberg

Hey, do you remember  
How we would stay up all night  
Talking about our destiny  
And I played the piano  
And you would strum on your guitar

Those were the days  
If only you could see me now  
I live my dream  
I owe it all to you  
I owe to you

Isn't it crazy?  
Isn't it crazy?  
It's all because of you  
All because of you

It's all because of you, oh  
All because of you, oh  
I know that if the sky would fall  
I'd survive it all  
Because of you, oh

I reach for the horizon  
Whenever I've got days of doubt  
Bringing me down

So even if disaster strikes  
I close my eyes  
And then I'm next to you  
I'm right there for you  
Hey!

Isn't it crazy?  
Yeah, isn't it crazy?  
It's all because of you  
All because of you

It's all because of you, oh  
All because of you, oh

I know that if the sky would fall

I survive it all

Because of you, oh

It's all cause of you

Because of you

(Hey-ey)

(Hey-ey)

Because of you

(Hey-ey)

It's all cause of you

I know that if the sky would fall

I survive it all

Because of you, oh

It's all because of you, oh

All because of you, oh

I know that if the sky would fall

I survive it all

Because of you, oh

(Hey-ey, Hey-ey, Hey-ey)
