Broken Like an Angel

Crossfade

She was a queen
Lost within a dream
Misconceived that he was fit to reign
Lies take victims
Separate them at the seams
Cause them to fall apart
Then move along to better things nowShe
Wants to fall in love again
Don't you know that
He's
Satisfied to own herNo time permits to open up
When you've been hiding thoughts so strong
She's been holding out for an angel to come along
No reply from the sky
But she just keeps looking up
She just keeps looking up nowShe
Wants to fall in love again
Don't you know that he
He's
Satisfied to own herShe'll never know love's true potential
Lost in the open wind
To his impatience
Never feeling they would fall apart
She let her feelings grow
To tears she'll never show nowShe
Wants to fall in love again
Don't you know that he
He's
Satisfied to own herYou know he couldn't see
That she could be his everything
Bringing light to everything now
Oh
She just wants to
Fall in love again
She's broken like an angel
