

2 Hearts

Kylie Minogue

You make me invisible
Like sky you make my day
And I feel so wonderful
Oh, oh, oh, dont let goIm seeing the dark of you
It feels like I never saw the sun
Should I shout for a rescue?
Oh, oh, oh, dont let go
Oh, oh, oh, dont let go2 hearts are beating together
Im in love, Im in love
Is this forever and ever?
Im in love, Im in love2 hearts are beating together
Im in love, Im in love
Is this forever and ever?
Im in love, Im in loveLooks good in sunshine
Well, hold on cause Im coming up for air
And I cant even see up here
Oh, oh, oh, dont let go
Oh, oh, oh, dont let go2 hearts are beating together
Im in love, Im in love
Is this forever and ever?
Im in love, Im in love2 hearts are beating together
Im in love, Im in love
Is this forever and ever?
Im in love, Im in love2 hearts
Im in love, Im in love
Is this forever and ever?
Im in love, Im in love
2 hearts
