## Music Themes Players

You went to school to learn, girl  
Things you never, never knew before  
I before E except after C  
And why two plus two makes four  
Now, now, now I'm gonna teach you  
Teach you, teach you  
All about love, dear, all about love  
Sit yourself down, take a seat  
All you gotta do is repeat after me  
A B C, easy as one, two, three  
Are simple as do re mi  
A B C, one, two, three, baby, you and me girl  
A B C, easy as one, two, three  
Are simple as do re mi  
A B C, one, two, three, baby, you and me girl  
Come on, let me love you just a little bit  
Come on, let me love you just a little bit  
I'm a gonna teach how to sing it out  
Come on, come one, come on  
Let me show you what it's all about  
Reading and writing arithmetic  
Are the branches of the learning tree  
But listen without the roots of love every day, girl  
Your education ain't complete  
T-t-t-teacher's gonna show you, show you, show you  
How to get an A, spell me, you, add the two  
Listen to me baby, that's all you gotta do  
A B C is easy as one, two, three  
Are simple as do re mi  
A B C, one, two, three, baby, you and me girl  
A B C is easy as like counting up to three  
Sing a simple melody  
That's how easy love can be  
That's how easy love can be  
Sing a simple melody  
One, two, three, you and me  
Sit down girl I think I love you  
No get up girl show me what you can do  
Shake it, shake it, baby, come on now

Shake it, shake it, baby, ooh  
Shake it, shake it, baby  
One, two, three baby oo oo  
A B C baby and now  
Do re mi baby now  
That's how easy love can be  
A B C is easy as like counting up to three  
Sing a simple melody  
That's how easy love can be  
Now I'm gonna teach you how to sing it out  
Come on, come on, come on  
Let me show you what it's all about  
A B C is easy as like counting up to three  
Sing a simple melody  
That's how easy love can be  
Now I'm gonna teach you how to  
Sing it out, sing it out, sing it out, sing it out  
A B C is easy it's like counting up to three  
Sing a simple melody  
That's how easy love can be
