

Break Down the Walls

Youth of Today

I used to think that labels were just symbols of pride
But over time, I've seen, they only served to divide
It's so easy to judge people by the way they seem to be
We must overcome this problem to live life peacefully
Break down the walls
Yes, we'll break down the walls
Look beyond the fashion or the crowd that they are in
Look beyond their riches or the color of their skin
Look beyond appearance and the truth you will find
Look for what's inside before you make up your mind
Break down the walls
Yes, we'll break down the walls
