

Lord You Are My Everything

Byron Cage

(BYRON CAGE)

You are everything, my love, my joy, my song, my peace... all the day long
Oh and everything is you, you're the air I breathe, you're the song that I sing, (my Lord)

You are everything(KAREN CLARK-SHEARD)

You are everything, my love, my joy, my song, my peace... (Oh) all the day long
And everything is you; you're the air that I breathe, and the song that I sing,
(oh yea yea yea yea, oh Lord)

I say it's you(LEADERS AND CHOIR ALTERNATE)

My joy

That's you

Oh everything that I ever needed, that's you

Oh that's you

My peace, that's you

That's you

My my my my joy, (oh) that's you

Oh oh oh that's you

Everything is you Lord

That's you

Everything that I needed, that's youYou are everything

Everything

You're my light in a dark place, the smile on my faceYou're my song

Oh Lord You're everything

Everything(MARVIN WINANS)

(Repeat VERSE)There is none like you

None like you

You're Alpha and Omega

And everything betweenThere is none like you

And I'll always sing your praises
