

I'm So Lonesome I Could Cry

[Willie Nelson](#)

Hear that lonesome whippoorwill
He sounds too blue to fly
That means he's lost the will to live
I'm so lonesome I could cry Did you ever see a night so slow?
As time goes draggin' by
The moon just went behind the clouds
To hide its face and cry The silence of a falling star
Lights up a purple sky
And as I wonder where you are
I'm so lonesome I could cry
I'm so lonesome I could cry
I'm so lonesome I could cry
