Who's

Jacquees

[Verse 1]
I caught you starring at me, I see beauty in your eyes
(beauty in your eyes)
But you're my company, I'm not like them other guys[Pre-Chorus]
She like: "What you want from me? I'm not even your type"
But you got my attention, you're something that I like
Let's get out this club, it's time to go
(it's time)
Cause I got some questions I need to know
[Chorus]
Who's giving you all your love?
(who is?)
Who's bringing you all your pain?
Who's making sure that you straight?
I'm impressed but I'm interested
Give me the time and the day
Girl I'll put you on my plane
I bet I never be late
Yeah, you could get all of my love
Who's giving you all your love?
Who's bringing you all your pain?
Who's making sure that you straight?
Know, I'm impressed but I'm interested
Give me the time and the day
Girl I'll put you on my plane
I bet I never be late
Yeah, you could get all of my love
[Verse 2]
I run my game, but this ain't game
(this ain't game)
Could buy you everything and anything
(anything)
Deep inside I know that you feel the same
I'm switching lanes in the orange thang, it's a foreign thang
I catch a real love babe, I can not retain
Let's pour a cup, come get on the drank
Can you move like my misses?
Do tricks like a Vixen?
Start switching positions?

And getting hotter than a kitchen?[Pre-Chorus]
She like: "what you want from me? I'm not even your type"
But you got my attention, you're something that I like
Let's get out this club, it's time to go
(it's time)
Cause I got some questions I need to know[Chorus]
Who's giving you all your love?
Who's bringing you all your pain?
Who's making sure that you straight?
I'm impressed but I'm interested
Give me the time and the day
Girl I'll put you on my plane
I bet I never be late
Yeah, you could get all of my love
Who's giving you all your love?
Who's bringing you all your pain?
Who's making sure that you straight?
Know, I'm impressed but I'm interested
Give me the time and the day
Girl I'll put you on my plane
I bet I never be late[Outro]
I bet I, never be late
I never be late
Jacquees will never be, Jacquees will never be
Who's giving you all your love?
No late
Who's giving you all your love?
Who's bringing you all your pain?
Who's making sure that you straight?
I'm impressed but I'm interested
