

# Ain't No Way

[Dondria](#)

Can't seem to get you off my mind  
You are the only thing that I want, this Christmas  
Under the tree for me waiting for me  
You belong to be with the one that you truly love  
Cause if you wanted to be here  
You would make a way here  
Instead of leaving me all alone Cause ain't no way I'm going to have a Merry Christmas  
I won't accept no boy  
Just make it home boy  
Cause I really need you  
Boy ain't no way I'm going to have a Merry Christmas  
I won't accept no boy  
Just make it home boy  
Cause your all I want this Christmas babe Dim the lights I'm in my mood  
If you don't make it here I don't know what I'm going do  
Aint gon cry tears cause this time of year you supposed to be happy  
So why can't I just have my Baby baby baby baby babyyy  
Ride a train, catch a plane, anyhow find a way  
Show me that you care baby Cause ain't no way I'm going to have a Merry Christmas  
I won't accept no boy  
Just make it home boy  
Cause I really need you  
Boy ain't no way I'm going to have a Merry Christmas  
I won't accept no boy  
Just make it home boy  
Cause your all I want this Christmas babe When it's all said and done (When It's all said and done baby)  
You are all I want  
Standing under the mistletoe (Saying all I want, all I need baby Please) Cause ain't no way I'm going to have a  
Merry Christmas  
I won't accept no boy  
Just make it home boy  
Cause I really need you  
Boy ain't no way I'm going to have a Merry Christmas  
I won't accept no boy  
Just make it home boy oh I really need you (Ho) Baby even if you gotta jump inside a sleigh  
I want you to bring that body to me baby
