

# Got to Have Faith

## Europe

The race is on  
I'll find my way  
Something has changed  
Since I've been away The fear is gone  
And I can't wait  
I feel the rush  
Still got dues to pay Well, I've had enough  
Gonna stand up straight  
And rebuild my life  
Well, you gotta have faith And it will be tough  
Gonna fight each day  
'Til I'm back on top  
Well, you gotta have faith Full speed ahead  
I waste no time  
Now I know how to live my life I've been knocked down  
I'm back around  
It'll put some soul in this heart of mine Well, I've had enough  
Gonna stand up straight  
And rebuild my life  
Well, you gotta have faith And it will be tough  
Gonna fight each day  
'Til I'm back on top  
Well, you gotta have faith I get the feeling  
I can go that extra mile  
I get the feeling  
I can reach that open sky I get the feeling  
Things will never be the same  
I get the feeling  
That I can win again Well, I've had enough  
Gonna stand up straight  
And rebuild my life  
Well, you gotta have faith And it will be tough  
Gonna fight each day  
'Til I'm back on top Well, you gotta have faith  
Well, you gotta have faith  
Well, you gotta have faith
