

Nana Window

Chris Moyles

Welcome everybody to the happy, happy sound
The sound to put a smile on your nana's face
So to all the nanas staring out the window around the world
We sing for you Nana nana window
Nana window
Na-na-na-na-na-nana window
Nana nana window
Nana window
Na-na-na-na-na-nana window
Nana nana window
Nana window
Na-na-na-na-na-nana-nana There's a lady in the window, looking out the window
Looking to the nana, the nana nana window
All she does is wave everyday
Waving at the people passing by her way Nana nana window
Nana window
Look nana! The nana nana window! Looking old with her bingo wings
The chorus is back so everybody sings! Nana nana window
Nana window
Na-na-na-na-na-nana window
Nana nana window
Nana window
Na-na-na-na-na-nana window
Nana nana window
Nana window
Na-na-na-na-na-nana window
Nana nana window
Nana window
Na-na-na-na-na-nana-nana She's a very nice lady
Very small lady
Sitting in her chair
Watching Paul O'Grady Eighty-three and fit as a fiddle
Does a big shop every week in Lidl Nana nana window, nana window
Look at the nana sitting in her window Wave at the nana! She'll wave back
And that is why we sing this track... Nana nana window
Nana window
Na-na-na-na-na-nana window
Nana nana window
Nana window

Na-na-na-na-na window
Nana nana window
Nana window
Na-na-na-na-na window
Nana nana window
Nana window
Na-na-na-na-na-nana Stays at home makes fairy cakes
Goes on a coach trip to the lakes
Got a blue badge, parks where she likes
But doesn't really drive, only used it twice Still buys cat food at the store
Even though he died back in ninety-four
Heating on full, but she's always cold
Nana windo-ow! Oh-oooh-oooooh Nana nana window
Nana window
Na-na-na-na-na window
Nana nana window
Nana window
Na-na-na-na-na window
Nana nana window
Nana window
Na-na-na-na-na window
Nana nana window
Nana window
Na-na-na-na-na-nana Nana, nana window
Nana, nana window
Nana, nana window
Nana, nana window...
