

Just Friends

[Amy Winehouse](#)

When will we get the time to be
Just friends? Its never safe for us not even in the evening
Cos Ive been drinking
Not in the morning
Where your ***** words Its always dangerous when everybodys sleeping
And I've been thinking
Can we be alone?
Can we be alone? When will we get the time to be
Just friends?
When will we get the time to be
Just friends? And no, I'm not ashamed
But the guilt will kill you
If she dont first
Ill never love you like her Though we need to find the time
To just do this ***** together 'fore it gets worse
I wanna touch you
But that just hurts When will we get the time to be
Just, just friends?
When will we get the time to be
Just friends, just friends? When will we get the time to be
Just friends, just friends?
When will we get the time to be
Just friends, just friends?
Just friends
