

# Did She Mention My Name

Gordon Lightfoot

It's so nice to meet an old friend and pass the time of day  
And talk about the home town a million miles away  
Is the ice still in the river, are the old folks still the same  
And by the way, did she mention my nameDid she mention my name just in passing  
And when the morning came  
Do you remember if she dropped a name or twoIs the home team still on fire, do they still win all the games  
And by the way, did she mention my nameIs the landlord still a loser, do his signs hang in the hall  
Are the young girls still as pretty in the city, in the fall  
Does the laughter on their faces still put the sun to shame  
And by the way, did she mention my nameDid she mention my name just in passing  
And when the talk ran high  
Did the look in her eye seem far awayIs the old roof still leaking when the late snow turns to rain  
And by the way, did she mention my nameDid she mention my name just in passing  
And looking at the rain  
Do you remember if she dropped a name or twoWon't you say hello from someone, there'll be no need to  
explain  
And by the way, did she mention my name
