

To Tame A Land (1998 Remastered Version)

Iron Maiden

He is the king of all the land
In the Kingdom of the sands
Of a time tomorrow He rules the sand worms and the Fremmen
In a land amongst the stars
Of an age tomorrow He is destined to be a King
He rules over everything
On the land called planet Dune Body water is your life
And without it you would die
On the desert the planet Dune Without a still suit you would fry
On the sands so hot and dry
In a world called Arrakis It is a land that's rich in spice
The sand riders and the "mice"
That they call the "Muad'Dib" He is the Kwizatz Haderach
He is born of Caladan
And will take the Gom Jabbar He has the power to foresee
Or to look into the past
He is the ruler of the stars The time will come for him
To lay claim his crown
And then the foe yes
They'll be cut down
You'll see he'll be the
Best that there's been
Messiah supreme
True leader of men
And when the time
For judgement's at hand
Don't fret he's strong
And he'll make a stand
Against evil and fire
That spreads through the land
He has the power
To make it all end
