Testify

Nick Jonas

[Verse 1]
I'm on one
I can't deny it, not this time, no
I'm on one
At just the thought of touchin' her, I come undone
Every time I'm with her, it's brand new
So brand new[Pre-Chorus]
She's got something that keeps me coming
I tried running, but ain't no running from the truth
Tell myself to just be cool
I can't help it
I know what she wanna do[Chorus]
So anytime that you hit me up
Anytime that you want this love
Say the word and you know I'll come through, yeah
Cause the way it feels ain't right
Messed around, and it changed my life
Now I can't walk away, it's too good
Make me wanna testify, ooh
That love's too good
Make me wanna testify, ooh
That love's too good, baby[Verse 2]
Hands up high
Got me where she want me with my hands up high
Every time I'm in it, wish I could rewind
Don't nobody do me like she do
It's all brand new, oh baby[Pre-Chorus]
She's got something that keeps me coming
I tried running, but ain't no running from the truth
Tell myself to just be cool
I can't help it
I know what she wanna do[Chorus]
Anytime that you hit me up
Anytime that you want this love
Say the word and you know I'll come through, yeah
Cause the way it feels ain't right
Messed around, and it changed my life
Now I can't walk away, it's too good
Make me wanna testify, ooh

That love's too good
Make me wanna testify, ooh
That love's too good, baby[Bridge]
Take me to a higher place
Yeah, I can never walk away
Oh no, oh no
Take me on a ride
You know it kills me every time that it's over
Yeah, you make me wanna testify[Chorus]
Anytime that you hit me up
Anytime that you want this love
Say the word and you know I'll come through, yeah
Cause the way it feels ain't right
Messed around, and it changed my life
Now I can't walk away, it's too good
Make me wanna testify, ooh
That love's too good
Make me wanna testify, ooh
That love's too good
Make me wanna testify, ooh
That love's too good
Make me wanna testify, ooh
That love's too good, baby
