

# How Many Ways

Toni Braxton

How many ways, I love you, let me count the ways  
How many ways, I love you, let me count the ways  
How many ways, I love you, let me count the ways You must have been heaven sent to me  
'Cause I never knew love like this  
You know you make me feel  
So good inside and boy, it's a feeling I just can't hide And baby, the words can't express my gratitude  
For each and every little thing you do, oh, yeah  
I want you to understand, you're all the man  
That I love and I know that I need and I want and more  
Baby, let me count the ways How many ways, I love you, let me count the ways  
How many ways, I love you, let me count the ways You know you're so very special to me  
My my my my baby, I'll never let you go  
When I'm with you I feel so free  
I could count from one up to ninety nine and still believe Although sometimes now, baby, we disagree  
There ain't never or will ever be another love for me, oh yeah  
And I want you to know, I appreciate  
All the things that you do when you do what you do for me  
Oh yeah, babe, darling, let me count the ways How many ways, I love you, let me count the ways  
How many ways, I love you, let me count the ways How many ways, I love you, let me count the ways  
How many ways, I love you, let me count the ways Let me tell you one, two, I love you, three, four, so much  
more  
Five, six, I can't get enough, get enough of this  
Seven let me show you my love and take you to heaven  
Eight, nine, ten, let the love over and over and over  
And over and over and over again How many ways, I love you, let me count the ways  
How many ways, I love you, let me count the ways
