I Found You

Mortal Boy

Nathan:
She wants me to come over I can tell, her eyes don?t lie
She?s calling me in the dark
She moves, I swear the room around her lights up like the sky
Confidence like a rock star
Max:
I wanna put my hands on her hands feel the heat from her skin
Get reckless in the star light
I?m movin to the beat of her heart I was so lost until tonight
Tonight
All:
I found you in my darkest hour
I found you in the pourin rain
I found you when I was on my knees
And your light brought me back again
Found you in a river of pure emotion
I found you my only truth
I found you and the music playing
I was lost, till I found you, you, you
I found you, you, you
Tom:
The night is getting older and I can?t come off this high
I don?t want this here to end
Siva:
I know she feels the same cause I can see it in her eyes
She says can we start again
Max:
I wanna put my hands on her hands feel the heat from her skin
Get reckless in the star light
Nathan:

She's movin to the beat of my heart we were so lost until tonight
Tonight
All:
I found you in my darkest hour
I found you in the pourin rain
I found you when I was on my knees
And your light brought me back again
Found you in a river of pure emotion

I found you my only truth
I found you and the music playing
I was lost, till I found you, you, you
I found you, you, you
Nathan:
I said people, we?re all lookin for love tonight
Sometimes we can?t see it, we?re all blinded by the light
And we all get low, all get low
Searchin for the piece of mind
Just when I?d given up, lookin for some kinda sign
All:
I found you, you, you
I found you, you, you
I found you, you, you
I found you, you, you
I found you in my darkest hour
I found you in the pourin rain
I found you when I was on my knees
And your light brought me back again
Found you in a river of pure emotion
I found you my only truth
I found you and the music playing
I was lost, till I found you
