

# Sad Memory

## Buffalo Springfield

Soft winds blow in the summer time  
Young lovers feel so free  
Walking hand in hand down the shady lane  
What happened to me? What happened to me? Did you ever love a girl  
Who walked right out on you?  
You should know just how I feel then  
Why I'm so blue, why I'm so blue How can I forget those nights  
When she kissed me soft and true  
And whispered the words only lovers know  
I love you, I love you Well, I've made up my mind  
I'll find a new girl who'll love me tenderly  
Forget the past, I've left behind now  
The sad memory, the sad memory Soft winds blow in the summer time
