

Welcome to My Life

Simple Plan

Do you ever feel like breaking down?
Do you ever feel out of place?
Like somehow you just don't belong
And no one understands you Do you ever want to run away?
Do you lock yourself in your room?
With the radio on turned up so loud
That no one hears you screaming No you don't know what its like
When nothing feels alright
You don't know what its like to be like me
To be hurt, to feel lost
To be left out in the dark
To be kicked when you're down
To feel like you've been pushed around
To be on the edge of breaking down
And no one there to save you
No you don't know what its like
Welcome to my life Do you want to be somebody else?
Are you sick of feeling so left out?
Are you desperate to find something more
Before your life is over Are you stuck inside a world you hate?
Are you sick of everyone around?
With the big fake smiles and stupid lies
But deep inside you're bleeding No you don't know what its like
When nothing feels alright
You don't know what its like to be like me
To be hurt
To feel lost
To be left out in the dark
To be kicked when you're down
To feel like you've been pushed around
To be on the edge of breaking down
And no one there to save you
No you don't know what its like
Welcome to my life No one ever lied straight to your face
And no one ever stabbed you in the back
You might think I'm happy
But I'm not gonna be okay
Everybody always gave you what you wanted
You never had to work it was always there

You don't know what its like
What its likeTo be hurt
To feel lost
To be left out in the dark
To be kicked when you're down
To feel like you've been pushed around
To be on the edge of breaking down
And no one there to save you
No you don't know what its like
What its likeTo be hurt
To feel lost
To be left out in the dark
To be kicked when you're down
To feel like you've been pushed around
To be on the edge of breaking down
And no one's there to save you
No you don't know what its like
Welcome to my life
Welcome to my life
Welcome to my life
