something to write home about

I Am Robot and Proud

Hello, mom and dad, what's been goin' on
I know it's been a while since I've written home
I like my new job, sure, I like this town
But I finally got me something to write home about
She's got long blond hair and deep blue eyes
She likes her music loud and walkin' in the moonlight
She laugh sometimes, sometimes until she cries
Oh, mom I'm in love and dad I'm sure you be proud
'Cause I finally got me something to write home about
I got that raise in pay now I ain't just gettin' by
Looks like I'm on my way, I guess I must be livin' right
Oh, if my old friends could only see me now
'Cause I finally got me something to write home about
She's got long blond hair and deep blue eyes
She likes her music loud and walkin' in the moonlight
She laugh sometimes, sometimes until she cries
Oh, mom, I'm in love and dad I'm sure you be proud
'Cause I finally got me something to write home about
Yeah, mom, I'm in love and dad I'm sure you'd be proud
'Cause I finally got me something to write home about
That girl is something, yeah, she's something
