Face Down

The Red Jumpsuit Apparatus

Hey girl, you know, you drive me crazy
One look puts the rhythm in my hand
Still I'll never understand why you hang around
I see what's goin' downCover up with make up in the mirror
Tell yourself it's never gonna happen again
You cry alone and then he swears he loves youDo you feel like a man, when you push her around?
Do you feel better now as she falls to the ground?
Well, I'll tell you my friend, one day this world's going to end
As your lies crumble down, a new life she has foundA pebble in the water makes a ripple effect
Every action in this world will bear a consequence
If you wade around forever you will surely drown
I see what's going downI see the way you go and say you're right again
Say you're right again, heed my lectureDo you feel like a man, when you push her around?
Do you feel better now as she falls to the ground?
Well, I'll tell you my friend, one day this world's going to end
As your lies crumble down, a new life she has foundFace down in the dirt she said, This doesn't hurt
She said, I finally had enough
Face down in the dirt she said, This doesn't hurt
She said, I finally had enoughOne day she will tell you that she has had enough
It's coming round againDo you feel like a man, when you push her around?
Do you feel better now as she falls to the ground?
Well, I'll tell you my friend, one day this world's going to end
As your lies crumble down, a new life she has foundDo you feel like a man, when you push her around?
Do you feel better now as she falls to the ground?
Well, I'll tell you my friend, one day this world's going to end
As your lies crumble down, a new life she has foundFace down in the dirt she says, This doesn't hurt
She says, I finally had enough
