

What You Waiting For?

Franz Ferdinand

Tick-tock, tick-tock

Tick-tock, tick-tock

Tick-tock, tick-tock

Tick-tock, tick-tock

La, la, la, la, la, la Like a cat in heat, stuck in a moving car

A scary conversation, shut my eyes

Can't find the brake

What if they say that you're a quitter? Naturally, I'm worried if I do it alone

Who really cares? 'Cause it's your life

You never know, it could be great

Take a chance 'cause you might grow

Oh, ohWhat you waiting?

What you waiting?

What you waiting?

What you waiting?

What you waiting for?What you waiting?

What you waiting?

What you waiting?

What you waiting?

What you waiting for?Tick-tock, tick-tock

Tick-tock, tick-tock

Take a chance you stupid hoLike an echo pedal

You're repeating yourself

You know it all by heart

Why are you standing in one place? Born to blossom, bloom to perish

Know you're wiggling out 'cause of your sex chromosome

I know it's so messed up, how our society all thinks

(For sure)

Life is short, you're capable

Oh, ohLook at your watch now

You're still a super hot female

You got your million-dollar contract

And they're all waiting for your hot trackWhat you waiting?

What you waiting?

What you waiting, waiting?

Whatcha, What you waiting?

What you waiting for?What you waiting?

What you waiting?

What you waiting?

What you waiting, waiting?
What you waiting for? Take me to Japan
Give me lots of brand new fans
Osaka, Tokyo, you Harajuku girls
Damn, you've got some wicked style, go Look at your watch now
You're still a super hot female
You got your million-dollar contract
And they're all waiting for your hot track What you waiting?
What you waiting?
What you waiting?
What you waiting?
What you waiting for? What you waiting?
What you waiting?
What you waiting?
What you waiting?
What you waiting for? Well, it's a nice day for a white wedding, whoa
Well, it's a nice day to start again
Well, it's a nice day for a white wedding
Well, it's a nice day to, start again Tick-tock, tick-tock
Tick-tock, tick-tock
Tick-tock, tick-tock
Tick-tock, tick-tock
Tick!
