Kid Capri

Falls off into a party in the N.Y.C
Niggaz lookin' at me strange but they lovin' my chain
Bang bang, same thang, game came when I left 'em
I do it by my lonely now I'm the big homieBut I'm his royal slickness, ghetto weakness, come rick is
The one who expose cornball rappers with the quickness
Uhh, who bum from and who balls you hung from
Wouldn't give a fuck what part of the country you come fromSnoop dogg, I'm smooth and imperial
I wake up every morning to my lucky charms cereal
Times get drastic, yeah I'm a classic
Dogg pound gangsta chokin' off that boombasticNow put my verse on the first one beat the herds come
So be careful 'cause my rap will make you eat your words son
Word to god, scratch I? Who the hardest to match
Bright rewrite your still garbage to patchHaven't you heard? I'm loose, shook the feds like the juice
Snoop dogg is a hundred and twenty-first proof
Fool usea deuce-deuce of some genuine, draft
I'm genuine, like Vinny's whinin' all about cashCash, cash, so indeed
So you know I got the lighter for the hash, has it
Ever been a time when you didn't have a dime
And the only way to get it was to go and do a crime?Many underclothes hangin' on the hoes
Since snoop, slick rick crushed anyone opposed
Lot of ladies, pop crystal, toast to all those
Like Kid Capri helpin' to unify both coastsMany underclothes hangin' on the hoes
Since snoop, slick rick crushed anyone opposed
Lot of ladies, pop crystal, toast to all those
Like Kid Capri helpin' to unify both coastsI'm shredding your temple, none, 'head of the emperor
Washed up, gang member better remember
I wipe my feet upon a rapper like a doormat
I hit 'em where they sit around actin' hardcore atThank God for the guardians, in light of this
Rappers always beg for me to show them who the mighty is
Gats gonna limp, snaps on a kid
That always wanna start rappin' boy they're not gonna winAnd wanna dash at lethal or evil
Could a king bring style and class to black people?
Stick a whole log in and he buggin'
'Cause I represent self, with my man snoop dogg and themI drop a pile of semen on 'em
Even in a yugo I could take they woman from 'em
I make the hardest chew the kewl of this
Kid Capri, know the part of peasant, who the ruler is?Many underclothes hangin' on the hoes
Since snoop, slick rick crushed anyone opposed
Lot of ladies, pop crystal, toast to all those

Like Kid Capri helpin' to unify both coastsMany underclothes hangin' on the hoes
Since snoop, slick rick crushed anyone opposed
Lot of ladies, pop crystal, toast to all those
Like Kid Capri helpin' to unify both coastsI'm twenty-six, still in the mix
My hair gettin' longer, my game gettin' stronger
See I've been on one, I thank god
'Cause life in the city of stars is gettin' hardAnd it's odd, for a G to get a job
So I'd rather steal and rob, and mob with my squad
My homie used to bang, now we follow Farrakhan
Used to read the source now all he read is the holy Qu'ranTime brings change and change brings time
Listen to me hit you with this gang bang rhyme
Nigga, what up, who up, you up
Doggy dogg is on the mic I'm here to fuck it izzzupI give it to y'all, like you really got to have it
Dogg pound gangstaz, boy this shit is gettin' tragic
But I'ma make me a grip and dip quick
And fuck with my nigga kid Capri on this G shitDial tail and bail with my nigga slick ricky
And all you niggaz talkin' bullshit can just miss me
Can't twist me, you fuckin' paper haters
I'm dippin' in my nine eight gold navigator
I'm dippin' like a lo-lo, bouncin', smokin' ounces, fo' sho' doeMany underclothes hangin' on the hoes
Since snoop, slick rick crushed anyone opposed
Lot of ladies, pop crystal, toast to all those
Like Kid Capri helpin' to unify both coastsMany underclothes hangin' on the hoes
Since snoop, slick rick crushed anyone opposed
Lot of ladies, pop crystal, toast to all those
Like Kid Capri helpin' to unify both coastsMany underclothes hangin' on the hoes
Since snoop, slick rick crushed anyone opposed
Lot of ladies, pop crystal, toast to all those
Like Kid Capri
