How Do You Like It?, Pt. 2

Keith Sweat

How do you like it when I do it just like this
How do you like it when I do it just like that
How do you like it when I do it just like this
How do you like it when I do it just like that
And all the gangsta's say
And all the gangsta's say
And all the gangsta's say
And all the gangsta's say
I don't want to do you wrong, baby
(Do you wrong)
I just want to treat you right
(Treat you right, baby)
Come and lay with me my girl
(Lay with me)
I just want to serve you right
How do you like it baby
(Nice and slow boy)
Tell me, how do you want it baby
(Here we go my baby)
Tell me girl, what makes you feel good my baby
(Nice and slow boy)
Tell me girl, how do you like it baby
(Here we go my baby)
I want my promises back
How do you like it when I do it just like this
Come on, come on, come on
How do you like it when I do it just like that
Do you like it when I do it just like this to you, baby
How do you like it when I do it just like this
Tell me how do you like it girl
How do you like it when I do it just like that
Yeah
And all the gangsta's say
And all the gangsta's say
And all the gangsta's say
And all the gangsta's say
Come on girl and taste this lovin'
(This love)
That you know I got for you

(Got for you, baby)
I just want to lay you down
(Down with me)
That is what I want to do
How do you like it baby
(Nice and slow boy)
Tell me girl, how do you want it baby
(Here we go my baby)
Tell me, how do you like it sugar
(Nice and slow boy)
I wanna know how do you want it baby
(Here we go my baby)
Girl I got to know
How do you like it when I do it just like this
Ain't nothin' but a jam
How do you like it when I do it just like that
Ain't nothin' but a Keith Sweat jam
How do you like it when I do it just like this
Ain't nothin' but a jam
How do you like it when I do it just like that
Ain't nothin' but a Keith Sweat jam
Yo, here we go left eye flow
What's up
Baby, you can skinny dip in my left lip sip a little cat nip
Eat my punanna, monanna and the little banana split
Get a little top notch, play somebody's hopscotch
Watch as I land in my man's crotch
Now there's a crew in perusin' what I'm doin'
I wouldn't want to ruin
You and who you knew but as I'm rollin'
Through your exes with my triple O
I'm yellin' tic tac toe from the waist below yo
You say tomatoes I say tomatoes
So pick up on my lead and lick on those toes
Me and my kitty cat is wearin' a hat
To the throne so baby take us to the end zone
I'm catching 80 in my shady to the top nickel
I'm the lady goin' crazy on your Popsicle
And as we come a little closer to the end of the game
You know I'm taking all the sweat out your name
(Jam)
How do you like it baby
(Jam)
(Jam)
Come on, don't you want to jam

(Jam)
(Jam, jam)
I want to know baby
(Jam)
Come on, I want to know baby
(Jam)
(Jam, jam)
Baby ain't nothin' but my jam
(Jam)
How do you like it
(Jam)
Don't you want to jam
(Jam)
How do you like it?
(Jam)
Don't you want to jam
(Jam)
How do you like it?
(Jam)
Don't you want to jam
(Jam)
How do you like it?
(Jam)
Don't you want to jam
