

# How High the Moon (1990 Remaster)

Sonny Criss

Somewhere there's music  
How faint the tune  
Somewhere there's heaven  
How high the moon  
There is no moon above  
When love is far away too  
Till it comes true  
That you love me as I love youSomewhere there's music  
How near, how far  
Somewhere there's heaven  
It's where you are  
The darkest night would shine  
If you would come to me soon  
Until you will, how still my heart  
How high the moonSomewhere there's music  
How faint the tune  
Somewhere there's heaven  
How high the moon  
The darkest night would shine  
If you would come to me soon  
Until you will, how still my heart  
How high the moon
