Alone

Sara Evans

Thank you for the roses that you sent me
They're beautiful
And you asked me to think of you
You know I will
Your note just said I'm sorry, please forgive me
I always do
But I have to let you know the way I feel
I left you this message so you'd know
That sometimes loving me
Just means leaving me alone
So please don't call every time you think of me
'Cause I need some time alone to kill this pain
You should know that I don't give up easily
But sometimes for things to grow they need some rain
Sometimes loving me
Just means leaving me alone
Well, I left you this message so you'd know
To not come by every time you're missin' me
'Cause I need some time alone to kill this pain
You should know that I don't give up easily
But sometimes for things to grow they need some rain
And sometimes loving me
Just means leaving me alone
Sometimes loving me
Just means leaving me alone, oh
