Furry Walls

Infant Sorrow

When the world slips you a jeffrey
Stroke the furry wall
Stroke the furry wall

Furry walls don't bring me down
Furry walls please stay around
Furry walls
Furry walls

Furry walls kiss me to sleep
Furry walls please help me leave
Furry walls
Furry walls

Furry walls can take you on a magic carpet ride
Throw their arms around you 'til you've got no place to hide
Let your furry fingers be your guide

Furry walls turn out the light
Furry walls please stay the night
Furry walls
Furry walls

Furry walls let's have a taste
Furry walls sit on my face
Furry walls
Furry walls

Maybe I'm in heaven with the furry skies above
All around are furry clouds, look, here's a furry dove
Let me stroke your furry walls of love

Furry walls
Furry walls

Furry walls I am amazed
Furry walls we're in a daze
Furry walls

Don't be in a hurry things are not the way they were

Shaggy walls of loveliness it's all a furry blur
Maybe I'm in heaven with the furry skies above
All around are furry clouds, look, here's a furry dove
Let the walls caress you in a showering of love

Furry walls
Furry walls

Furry walls I'm gonna cry
Furry walls please lift me high
Furry walls
Furry walls
