Slanderous

Machine Head

Ooh
I am wasted and ugly
I am the underbelly
A fat fuck and fairy
The reject they wish to bury
They want to, to murder us, silence us
Divide and conquer us
As they lead, as we die
Let these three words decide
I love you
Why do I hate my father?
I hate you
Or do I hate myself?
I'm a meth head and alkie
Dumb cunt been called a junkie
A retard with a pussy
And I embrace the names you call me
They want to murder us, silence us
Divide and conquer us
As they lead, as we die
Let these three words decide
I love you
Why do I hate my brother?
I hate you
Or do I hate myself?
Oh
I'm a redneck and a faggot
The asshole in the rubbers
A wetback and a nigga
And I raise my middle fingers to those that
Murder us, silence us
Divide and conquer us
As they lead, as we die
Let these three words decide
I love you
Why do I hate my brother?
I hate you
I hate myself
Love, hate

I love you
Why do I hate my father?
I hate you
Or do I hate myself?
