

Field of Innocence

Evanescence

I still remember the world
From the eyes of a child
Slowly those feelings
Were clouded by what I know now Where has my heart gone
An uneven trade for the real world
I want to go back to
Believing in everything and knowing nothing at all I still remember the sun
Always warm on my back
Somehow it seems colder now Where has my heart gone
Trapped in the eyes of a stranger
I want to go back to
Believing in everything
