Pray for Rain (ft. Tunde Adebimpe)

Massive Attack

In deepest hollow of our minds
A system failure left behind
And their necks crane
As they turn to pray for rain
And their necks craneDull residue of what once was
A shattered cloud of swirling doves
And their eyes change
As they learn to see through flames
And their necks crane
As they turn to pray for rain
And their eyes change
As they learn to see through flames
And their necks crane
As they turn to pray for rainDrops on rocks fall fast and fleeting
Hearts and wings commence to beating
Woods unseen with all believing
Vision walls fall all receding
Vision walls fall all recedingDrops on rocks come fast and fleeting
Rhythm laws unleash their meaning
Usher us into the dreaming
Vision walls fall all receding
Hearts and wings commence to beating
All unending all completing
Vision walls fall fast and fleeting
Vision walls fall all revealing
Vision walls fall all revealing
Vision walls fall all revealing
Vision walls fall all revealing
