Everywhere I go people know my name

Bring champagne, you could hold the glasses

What we dont drink, we spray to masses

And if you cant keep up your ass is useless

Cause all we do is[Chorus]

Pop Bottles make it rain

Every night is all the same

Hit the club,

Hit the after Party

Then we hit the plane

Pop Bottles make it rain

Every night is all the same

Hit the club,

Hit the after Party

Then we, then we, then weBIG BAD MOTHER BLEEP !Pop Bottles make it rain

Every night is all the same

Hit the club,

Hit the after Party

Then we hit the plane

Pop Bottles make it rain
