

P.s. (i'm Still Not Over You)

Rihanna

What's up?
I know we haven't spoken for a while
But I was thinkin' bout you
And it kinda made me smile
So many things to say
And I'll put em in a letter
And thought it might be easier
The words might come out better
How's your mother, how's your little brother?
Does he still look just like you?
So many things I wanna know the answers to
Wish I could press rewind
And rewrite every line
To the story of me and you

[Chorus]
Don't you know I've tried and I've tried
To get you out my mind
But it don't get no better
As each day goes by
And I'm lost and confused
I've got nothin' to lose
Hope to hear from you soon
P.S. I'm still not over you
Still not over you

Excuse me, I really didn't mean to ramble on
But there's a lot of feelings that remain since you've gone
I guess you thought that I would put it all behind me
But it seems there's always somethin' right there to remind me
Like a silly joke, or somethin' on the t.v.
Boy it ain't easy
When I hear our song
I get that same old feeling
Wish I could press rewind
Turn back the hands of time
And I shouldn't be telling you

[Chorus]

Did you know I kept all of your pictures
Don't have the strength to part with them yet

Oh no

Tried to erase the way your kisses taste
But some things a girl can never forget

[Chorus]
