

Majesty of Heaven

[Chris Tomlin](#)

Majesty of Heaven
Your glory fills the skies
Light of the world
You are Lord of all Humble by Your presence
Amazed by who You are
Nothing compares
You are Lord of all To You the nations bow down
Through You creation cries out, Majesty
All things You hold together
Your name will stand forever, Majesty
You are Majesty Merciful and mighty
My heart is overwhelmed
You stand alone
You are Lord of all To You the nations bow down
Through You creation cries out, Majesty
All things You hold together
Your name will stand forever, Majesty
You are Majesty Your name above all others
High and exalted
Your kingdom shall reign forever
High and exalted Your name above all others
High and exalted
Your kingdom shall reign forever
High and exalted To You, the nations bow down
Through You, creation cries out, Majesty
All things You hold together
Your name will stand forever, Majesty
You are Majesty, You are Majesty
