

Magic Pie (acoustic)

Oasis

An extraordinary guy can never have an ordinary day,
He might live a long goodbye, but that is not for me to say, I dig his friends,
I dig his shoes,
But he is just a child with nothing to lose,
But his mind, his mind. They are sleeping while they dream, but then they want to be adored,
They who don't say what they mean,
Will live and die by their own sword. I dig their friends,
I dig their shoes,
But they are like a child with nothing to lose,
But their minds, yeah their minds.
I'll have my way,
In my own time,
I'll have my say,
My star will shine. Cos you see me,
I've got my Magic Pie.
Think of me, yeah that was me
I was that passer by,
I've been and now I've gone. There are but a thousand days but heading for a thousand years,
Many minds to educate, and people who have disappeared, To dig my friends, to dig my shoes,
I am like a child with nothing to lose,
But my mind, yeah my mind, We'll have our way,
In our own time,
We'll have our say,
Cos my star's gonna shine.
Cos you see me,
I've got my Magic Pie.
Think of me, yeah that was me I was that passer by,
I've been and now I've gone. Cos you see me,
I've got my Magic Pie.
Think of me, yeah that was me I was that passer by,
I've been and now I've gone.
