

# Do It Again

Edwyn Collins

So many ways, so many truths  
So much to learn, so much to do  
Night by night, day by day

There's a place I know, I'm gonna stray I can do it again, I can do anything, honey

Do, do, do it again

'Cause you send me to summertime  
From a winter's view So many thoughts, so many goals  
So many dreams, so many roads  
Night by night, day by day

There's a place I know, I'm gonna stray I can do it again, I can do anything, honey

Yeah, I can do it again, I can do anything, honey

Do, do, do it again

'Cause you send me to summertime  
From a summertime, from a winter's view I can do it again, if I can do anything, honey  
You send me again to summertime, honey  
You do it again, do it again  
And again and again and again D-do it again, d-d-do it again, d-d-do it again  
D-do it again, d-d-do it again, d-d-do it again  
D-d-do it again, d-d-do it again, d-d-do it again  
D-d-do it again
