Mayday

Crimson Glory

Countdown to zero, ignition
Warning
Rising in smoke, glowing fireThrusting into the sky of the morning
Warning
All system downMayday
Mayday
Mayday
MaydayIn search of the glory
They reach for the stars
With honor and courage
They dieMayday
Mayday
Mayday
MaydayThunderous roar of the engine
Screaming
They fill the sky, burn in trailsDown through the clouds falling faster
Disaster
Taking their livesMayday
Mayday
Mayday
Mayday
