

Little Sister

Ry Cooder

Little sister won't you please, please, please
Little sister don't you cheat on me
Little sister don't you kiss me once and twice
Say it's very nice and then you run
Little sister don't you do what your big sister done Well, I dated your big sister
And I took her to a show
I went out for some candy
Along came Jim Dandy
They snuck right out the door Sister won't you please, please, please
Little sister don't you cheat on me
Little sister don't you kiss me once and twice
Say it's very nice and then you run
Little sister don't you do what your big sister done And every time I see your sister
Seems like she's got somebody new
Well, she's mean and evil
Like that little old Boll Weevil
Got to try my luck with you Sister won't you please, please, please
Little sister don't you cheat on me
Little sister don't you kiss me once and twice
Say it's very nice and then you run
Little sister don't you do what your big sister done Well, now I used to pull your pigtales
And I pinched your turned-up nose
Baby you been growin'
Yes, it's been showin'
From your head down to your toes Sister won't you please, please, please
Little sister don't you cheat on me
Little sister don't you kiss me once and twice
Say it's very nice and then you run
Little sister don't you do what your big sister done Little sister won't you please, please, please
Little sister don't you cheat on me
Little sister don't you kiss me once and twice
Say it's very nice and then you run
Little sister don't you do what your big sister done Don't you do what your big sister done
Don't you do what your big sister done
Don't you do what your big sister done
Don't you do what your big sister done
